

The Carr Center Adult Day Health Center

Flag exchange project

*“ The American flag represents all of us and all the values we hold sacred”-Adrian Cronauer*

The staff and clients of The Carr Center Adult Day Health Center would like to invite you to join us as sponsors for a civic community project we are undertaking, a flag exchange project. All over our community there are homes and businesses that are either not proudly flying our American flag or are flying flags that are in various forms of disrepair. Flag etiquette is something that is not broadly followed either due to misinformation or no proper education on how to properly display the American flag. The clients of the Carr Center and staff are prepared to help change that. We are proposing starting a project where our clients will be driven around the community and offer to replace flags that are either worn or tattered. This project will instill civic pride within the community, offer education on flag etiquette, honor our flag, and enable our clients to be able to give back to the community.

At the present time we are looking for sponsors who will help with the purchase of flags either by monetary donations or donation of flags. We will only use flags that are manufactured with in the United States and also flags that are weatherproof. Currently we are also seeking a manufacturer of American flags that will with help with donations and/ or offer a bulk discount.

At the present time we have a number of local businesses that have pledged support for this undertaking, such as American Pride power equipment, The Sports Barber locations, Gambles towing, Rods Tire Town. A few other businesses have also expressed interest. There is also a Facebook donation page.

Any questions regarding this worthwhile civic project can be directed to myself, Marty Gamble, RN CDP, Director of Adult Day Health Services, either by phone (740)453-5417 office (740)819-8800 cell, and by email: [don@carrcenter.org](mailto:don@carrcenter.org)

Once again, the staff and clients thank you for your support.
