

The Carr Center, Inc. Toddler Enrichment and private speech therapy -Speech Pathologist

Positions available – 2

Average hours – 12/week

The Carr Center is a non-profit organization with a mission to serve and assist youth and adults to reach their fullest potential through educational programs and functional support. Our Toddler Enrichment and private speech therapy programs are unique and special. These programs are offered in a community-based setting that is family friendly. We offer small classroom sizes for toddlers to learn in a preschool setting and receive speech therapy services. While learning and interacting with peers, the speech pathologist delivers one on one therapy to each student. We also offer private speech therapy with students grades K-12. Our therapists welcome students of all abilities into the program.
